RE: "ISOBEL"

Dim Light Creatures Ltd. confirm its interest in the project entitled "Isobel" directed by Jamie Bolton-Debbage.

Producer: Jamie Bolton Debbage, Co Producer : Laura Pradelska.

We are keen on this project based on the quality showcased on the synopsis, treatment, proof-of-concept footage, personal discussions with the director and the evidence of his previous films.

The principal photography is currently set for Q3/2024 with expected delivery in Q1/2025. Upon release Dim Light Creatures, will actively promote the film at Film and TV markets during the 1st year from date of agreement and after that it will assume catalogue position. The sales company will do theatrical screenings at markets, produce marketing, screening, press and web material, do press releases, newsletters, direct campaigns targeted at the key buyers and have one on one sales meetings at markets.

Dim Light Creatures is a UK world sales agent based in London. The company was founded in 2022 and is owned by Ana Fernandez Saiz. The company distributes program licenses to all territories and to all windows (Theatrical/ Video-DVD/ PTV/FTV/ Ancillary/ Digital Rights) and provides Festivals strategy as well.

Dim Light Creatures is entitled to have the first look of the film, at a rough-cut stage.

Dim Light Creatures recommend to broadcasters and other financiers to give this project the highest consideration and support.

In faith,

Ana Saiz
